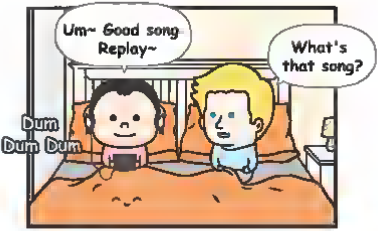
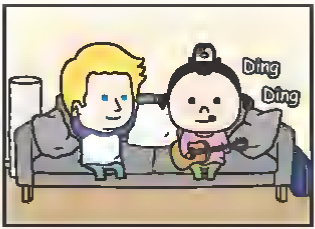
Good Boy

I'm sometimes get obsessed with something very deeply.

If I like something, I eat it repeatedly until I feel sick when I smell it.

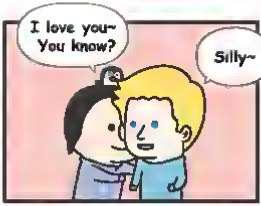


I listen to songs over and over until I'm really fed up them.



When I was into playing a guitar,
I played the guitar all day.

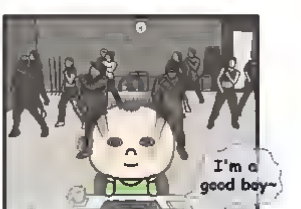
Among all of these habits,...



. . . what I'm most obsessed with is Mev.
It's keeping on going for the last 7 years.

Anyway.

I'm into GD and Tae-yang's 'Good Boy' lately.

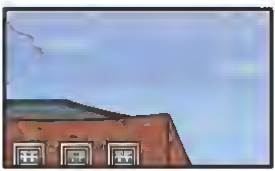


I've watched their dance practice video a thousand times, so my dance desire blew up finally.

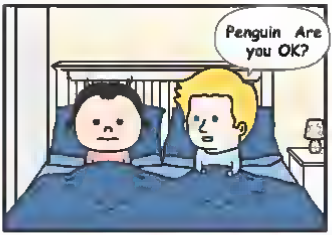
So I suddenly
started to practice their dance.

That day, all afternoon,
I danced in front of the mirror.

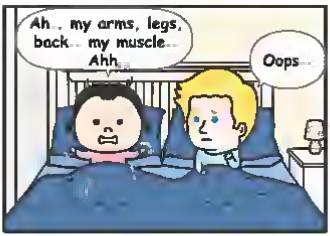
No one asked me to do this.
I don't know why I kept on dancing



The next day.

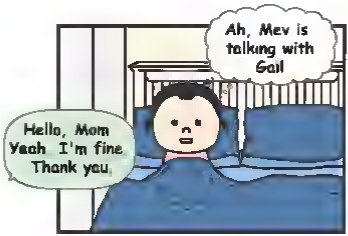


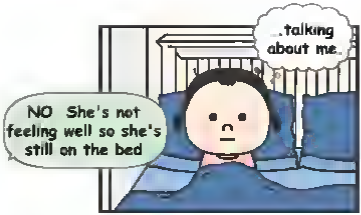
My body was...



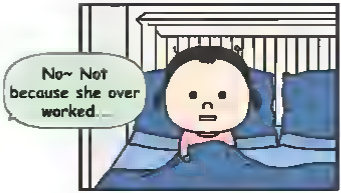
... in massive pain.

I needed to rest on the bed all day

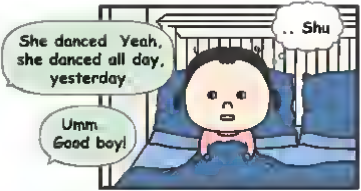




...talking about me..
NO She's not feeling well so she's still on the bed



No~ Not because she over worked....



She danced Yeah, she danced all day, yesterday
Umm Good boy!
.. Shu

I wish I was ill
because I overworked.
